Maths

When we add which way do we jump?

- forwards
- backwards

1. Chip had 10 sweets. Biff had 8 sweets.

How many sweets do they have altogether?

2. Dad had 15 books. Kipper gave Dad 7 more.

How many books does Dad have altogether?

3. Floppy eats 17 bones. He then eats another.

10. How many bones has Floppy eaten altogether?
