Dear Parents and Carers,

WELCOME BACK! 8th MARCH 2021!

We are SO pleased to see you all this morning coming into school as we have fully reopened! I wanted to take the opportunity to thank you all for everything that you have done at home in supporting your children throughout this period of home learning. You and your children have been just amazing, and the whole school team is so very proud of what the children have continued to achieve throughout this time.

It was great to see you all coming at the right times this morning. This really helped everyone stay safe on the playground as the children came into school. Thank you too for wearing a face covering on the playground, and we kindly remind you to continue doing this to keep you and our whole school community as safe as possible. Children are not required to wear face coverings in school. The staff will be wearing face coverings in all communal areas and following social distancing guidance in their year bubbles.

Families of children in school are now able to access twice weekly asymptomatic / lateral flow testing for the adults in the household. Adults are able to collect 2 packs of tests at a time. Each pack contains 7 tests. The closest collection point to school is **Gower Street Car Park, S4 7JW**. They are open 1.30-7pm. Alternatively you can order these online at: <https://www.gov.uk/order-coronavirus-rapid-lateral-flow-tests>

Please remember for any member of the household with symptoms, you **MUST** arrange to get a test at a local testing centre and **NOT** through the use of a lateral flow test. School are not able to order tests for you, however, if you would like any support with this, please contact the school office.

As always, thank you for your ongoing support throughout this time. Please don't hesitate to contact us if you need to discuss anything at all.

Mrs K Oldham
Head of School

Deputy Head of School - Mrs J Jeavons | School Business Manager - Mrs L Lawrie |
